

VAPOUR WUSSY GUIDE

In Vapour you play as an already deceased warlock who is now roaming the borders of purgatory trying to fend off other trapped souls and find his way towards salvation.

This can only be accomplished by terminating the 3 Hell-Lords who feed on lost souls and fear.

Hell-Lord

Wants to swallow your soul. If you see one, run!

Hell-Lord's body part

Remaining body part of a Hell-Lord. Collect it, combine with a trinket and then burn it in the huge centre fire to kill a Hell-Lord.

Trinket

Holy item . Needs to be combined with a Hell-Lord's body part to kill a Hell-Lord.

Health pickup

Adds health.

Spell

Can shoot and destroy smaller possessed creatures and force Hell-Lords back a little.

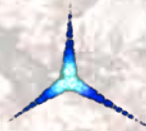

Speed shot power-up

Shoots any spell more rapidly for a short period of time.

Super spell

More destructive and kills creatures much faster.

Super boost power-up

Completely restores health and boosts your speed for a while.
